Astronics Corporation to Present at Jefferies 12th Annual Industrials Conference and Canaccord Genuity 36th Annual Growth Conference

EAST AURORA, N.Y., Aug. 02, 2016 (GLOBE NEWSWIRE) -- Astronics Corporation (NASDAQ:ATRO), a leading supplier of advanced technologies and products to the global aerospace, defense, and semiconductor industries, today announced that Peter J. Gundermann, President & Chief Executive Officer, and David C. Burney, Executive Vice President & Chief Financial Officer, will present at two investor conferences in August 2016.

Astronics' presentation at the Jefferies 12th Annual Industrials Conference in New York City on Wednesday, August 10, 2016 is scheduled to begin at 8:40 a.m. Eastern Time. A live webcast of this presentation, along with presentation materials, will be available at www.astronics.com. An archive of the presentation will be made available on the Webcasts and Presentations page in the Investors section of the Company's website, along with a transcript once available.

Astronics will also present and be available for investor meetings at the Canaccord Genuity 36th Annual Growth Conference in Boston on Thursday, August 11, 2016.

About Astronics Corporation

Astronics Corporation is a leading supplier of products to the global aerospace, defense and semiconductor industries. Astronics' products include advanced, high-performance electrical power generation, distribution and motion systems, lighting and safety systems, avionics products, aircraft structures, systems certification, and automated test systems. Astronics' strategy is to increase its value by developing technologies and capabilities, either internally or through acquisition, and using those capabilities to provide innovative solutions to its targeted markets and other markets where its technology can be beneficial. Through its wholly-owned subsidiaries, Astronics has a reputation for high-quality designs, exceptional responsiveness, strong brand recognition and best-in-class manufacturing practices. The Company routinely posts news and other important information on its website at www.astronics.com.
