Corbus Pharmaceuticals to Present at the Cantor Fitzgerald Global Healthcare Conference

Presentation with live audio webcast on Monday, September 25th at 8:35 AM EDT

NORWOOD, MA -- (Marketwired) -- 09/14/17 --

[Corbus Pharmaceuticals Holdings, Inc.](#) (NASDAQ: CRBP) ("Corbus" or the "Company"), a clinical stage drug development company targeting rare, chronic, serious inflammatory and fibrotic diseases, announced today that [Yuval Cohen, Ph.D., Chief Executive Officer](#), will present at the Cantor Fitzgerald Global Healthcare Conference on Monday, September 25, 2017 at 8:35 a.m. EDT in New York, NY.

During the presentation, Dr. Cohen will discuss the Company's four clinical development programs for [anabasum](#), its novel synthetic oral endocannabinoid-mimetic drug that is designed to resolve chronic inflammation and halt fibrosis. These programs are in diffuse cutaneous systemic sclerosis, cystic fibrosis, skin-predominant dermatomyositis and systemic lupus erythematosus.

A live audio webcast of the presentation will be available by accessing the [IR Calendar](#) in the [Investors](#) section of the Corbus website (www.CorbusPharma.com) and will be archived on the Company's website for 90 days following the event.

About Corbus

Corbus Pharmaceuticals Holdings, Inc. is a Phase 3 clinical stage pharmaceutical company focused on the development and commercialization of novel therapeutics to treat rare, chronic, and serious inflammatory and fibrotic diseases. The Company's lead product candidate, anabasum, is a novel synthetic oral endocannabinoid-mimetic drug designed to resolve chronic inflammation and fibrotic processes. Anabasum has generated positive data in Phase 2 studies in diffuse cutaneous systemic sclerosis and cystic fibrosis, respectively. The Company also expects to report data from its Phase 2 study of anabasum in skin predominant dermatomyositis in the fourth quarter of 2017. Additionally, anabasum is being evaluated in open-label extension studies in systemic sclerosis and skin-predominant dermatomyositis, and in a Phase 2 study in systemic lupus erythematosus expected to commence in the fourth quarter of 2017.

Corbus plans to commence a Phase 3 study of anabasum for the treatment of systemic sclerosis in the fourth quarter of 2017. The Company is also planning to initiate a Phase 2b study of anabasum for the treatment of cystic fibrosis in the fourth quarter of 2017.

Forward-Looking Statements

This press release contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and Private Securities Litigation Reform Act, as amended, including those relating to the Company's product development, clinical and regulatory timelines, market opportunity, competitive position, possible or assumed future results of operations, business strategies, potential growth opportunities and other statement that are predictive in nature. These forward-looking statements are based on current expectations, estimates, forecasts and projections about the industry and markets in which we operate and management's current beliefs and assumptions.

These statements may be identified by the use of forward-looking expressions, including, but not limited to, "expect," "anticipate," "intend," "plan," "believe," "estimate," "potential," "predict," "project," "should," "would" and similar expressions and the negatives of those terms. These statements relate to future events or our financial performance and involve known and unknown risks, uncertainties, and other factors which may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such factors include those set forth in the Company's filings with the Securities and Exchange Commission. Prospective investors are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date of this press release. The Company undertakes no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise.
