Skillsoft Announces 2017 Perspectives Innovation Award Winners

Leading Companies Honored for Driving Impactful Programs in Learning, Talent, Compliance, and Leadership

BOSTON--(BUSINESS WIRE)-- [Skillsoft](#), the global leader in eLearning, and [SumTotal](#), the leading provider of talent management solutions, announced the [Innovation Awards](#) winners at their annual user conference, [2017 Skillsoft Perspectives](#). These awards recognize Skillsoft and SumTotal customers and partners for their success, innovation, and expertise in learning and development, talent, and workforce management.

“We congratulate the award winners who have achieved excellence in learning and talent management with Skillsoft and SumTotal,” said [Bill Donoghue, chairman and CEO, Skillsoft](#). “This year’s event showcases how our customers and partners are using innovative ways to engage with their modern learners. Technology and accessibility is changing the shape of learning. Networking discussions focused on key trends, such as eLearning, micro-learning, multi-modal content, social learning, and mobile accessibility, that are critical for today’s global companies. We are honored to recognize those who have creatively used our beautiful technology and engaging content to create a quantifiable impact for their employees and organizations.”
