# Skillsoft for SAP® SuccessFactors® Learning Now Available on SAP® App Center

*Solution accelerates digital transformation journeys by providing world-class Skillsoft learning solutions directly within SAP SuccessFactors Learning*

BOSTON--(BUSINESS WIRE)-- Skillsoft, a global leader in corporate learning, today announced that its award-winning Skillsoft learning solutions for SAP® SuccessFactors® Learning are available on the SAP® App Center. Skillsoft integrates critical, high-value content in the SAP SuccessFactors Learning solution, enabling customers to access critical enterprise learning.

In today's fast-paced, digital business environment, continual learning is an incredibly powerful tool that every organization can use to promote talent agility and career development. With the ability to discover, try and purchase Skillsoft learning solutions through the SAP App Center, organizations will gain access to hundreds of thousands of multi-modal learning assets across Skillsoft's Technology & Developer, Compliance and Leadership & Business Skills portfolios.

SAP SuccessFactors Learning customers will also have access to Skillsoft Aspire, a new series of digital learning journeys developed to train the most in-demand career paths, which are embedded into Skillsoft's learning solutions. Skillsoft Aspire helps organizations address the growing skills gap and the dearth of talent in key roles by prescribing instruction and credentials to drive and demonstrate proficiency. This sequenced instruction methodically helps learners progress towards an aspirational role. The four stages of a Skillsoft Aspire journey deliver roughly 40-50 hours of immersive learning through a multi-modal learning experience.

"Skillsoft and SAP have a shared vision to help people and organizations reach their fullest potential," commented Ron Hovsepian, executive chairman, Skillsoft. "This partnership empowers organizations to reskill and upskill learners by delivering specific competencies that will increase organizational success, drive business outcomes and improve retention. Access to the Skillsoft Aspire learning journeys will provide users with curated learning paths to rapidly advance their proficiency in critical roles."

With the integration of Percipio, Skillsoft's state-of-the-art learning delivery platform, learners can access Skillsoft's learning content from within SAP SuccessFactors Learning, without the need for manual configuration and maintenance. This integration enables micro-learning, multi-modal learning, superior content discovery, curation and fine-grain tracking. SAP SuccessFactors Learning customers can now access an enhanced, modern and engaging, anywhere, anytime, learner experience, while simplifying the content management responsibilities of administrators.

The SAP App Center provides customers with real-time access to approximately 1,900 innovative partner solutions that complement and extend their SAP solutions, enabling digital transformation of their business. SAP App Center customers can buy solutions directly from partners and centrally manage purchases, billing and vendor communications.
