Sonim Technologies Now Available on Carahsoft's GSA Schedule 70

Sonim and Carahsoft Team to Bring the World's Most Rugged Devices to Government Agencies

SAN MATEO, Calif., Nov. 1, 2016 /PRNewswire/ -- [Sonim Technologies](http://www.sonimtech.com), maker of the world's toughest phones, announced today that its ultra-rugged mobile phones and accessories are now available for purchase by government agencies and departments through the [Carahsoft Technology Corp.](http://www.carahsoft.com) U.S. General Services Administration Schedule 70 contract GS-35F-0119Y. Carahsoft, the trusted government solutions provider, serves as Sonim's public sector aggregator and partner.

"Sonim has proven to be a great partner for Carahsoft. They provide a truly unique solution that is specifically tailored for our government customers and our reseller ecosystem," says Michael Shrader, Vice President of Innovation and Intelligence Solutions at Carahsoft. "The addition of the Sonim products to our GSA Schedule enables us to make these great products even easier to acquire by our government customers."

Founded in 2004, Carahsoft serves as the largest government partner for Sonim and many of the industry's leading IT manufacturers, providing technology that helps public sector customers solve mobility, IT security, management, and infrastructure challenges and improve IT efficiencies and capabilities. Carahsoft supports Sonim's authorized resellers and sales teams with proactive sales and marketing activities to drive demand for Sonim products within federal, state, county and local governments.

"We partnered with Carahsoft earlier this year with the goal of bringing ultra-rugged mobile devices and accessories to the public sector," said Carl Nerup, GM of Sonim Regulated Markets. "With the addition of the GSA contract, we can better serve more government customers and address their specific needs with longer lasting, customized mobile solutions."

Sonim products are also available through SEWP and other major state contracts and cooperative purchasing agreements.
