Douglas Dynamics Recognized as One of FORTUNE'S "100 Fastest-Growing Public Companies"

Company Ranks 5th Overall for 2016 on the Prestigious Annual List

MILWAUKEE, Sept. 29, 2016 (GLOBE NEWSWIRE) -- Douglas Dynamics, Inc. (NYSE:PLOW), North America's premier manufacturer of vehicle attachments and equipment, announced today that it has been named to the 2016 FORTUNE magazine list of the 100 Fastest-Growing Public Companies, ranking 5th overall. This is the Company's first year on this prestigious list that recognizes public companies with the best three-year growth rates, revenue, and profit.

"I want to thank everyone at Douglas Dynamics for their ongoing hard work as this really is a company-wide achievement," noted James L. Janik, Chairman, President and Chief Executive Officer of Douglas Dynamics. "We are pleased to be recognized for our strong financial performance that positions us with some of the most prominent companies in the world. Our unwavering dedication to providing the highest quality products and unrivaled service are the most important factors driving the growth of the company. When combined with the complimentary strategic acquisitions we have made in recent years, we are well positioned for continued success."

FORTUNE magazine's 100 Fastest-Growing Companies are publicly traded companies ranked by revenue growth rate, EPS growth rate, and three-year annualized total return for the period ended June 30, 2016. The overall rank is based on the sum of these three ranks.
