# TopBuild Announces Pricing of its Senior Notes Offering in Connection with Previously Announced Acquisition of Distribution International

DAYTONA BEACH, Fla., Sept. 28, 2021 (GLOBE NEWSWIRE) -- **TopBuild Corp. (NYSE:BLD)** ("TopBuild" or the "Company") a leading installer and distributor of insulation and building material products in the United States, today announced the pricing of its previously announced private offering of \$500.0 million aggregate principal amount of senior notes due 2032 (the "notes") to be 4.125%. TopBuild intends to use the net proceeds from the sale of the 4.125% notes, together with borrowings under a new term loan and cash on hand, to fund the purchase price payable in connection with the consummation of its previously announced acquisition (the "Acquisition") of Distribution International, Inc. ("DI"), including the payment of related fees and expenses.

The closing of the 4.125% notes offering is expected to occur prior to, and is not conditioned upon, the consummation of the Acquisition. However, the notes will be subject to a "special mandatory redemption" in the event that (i) the Acquisition is not consummated on or prior to August 7, 2022 or (ii) prior to August 7, 2022, the merger agreement is terminated, other than in connection with the consummation of the Acquisition, and is not otherwise amended or replaced. TopBuild expects the offering to close on October 14, 2021, subject to customary closing conditions.

The notes will be guaranteed, on an unsecured senior basis, by all of TopBuild's subsidiaries, including DI and its affiliates that are required to become guarantors under the Company's credit agreement by its terms upon consummation of the Acquisition.

The notes offering is subject to market and other conditions, and there is no assurance that the offering will be completed or, if completed, as to the terms on which it will be completed.

The notes will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration under the Securities Act or an applicable exemption from registration requirements. This announcement does not constitute an offer to sell, or the solicitation of an offer to buy, any securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.
