Galaxy Gaming® Delivers Galaxy Operating System Across Carnival Corporation & Plc® Fleet

LAS VEGAS, Sept. 26, 2023 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (OTC: GLXZ), the world's largest independent developer and distributor of casino table games and technology announced today that they will deliver Galaxy Operating System™ (GOS) as the table games system for 50+ ships across the globe with Carnival Corporation & plc (NYSE/LSE: CCL; NYSE: CUK), the world's largest leisure travel company. Already live on over 20 ships, GOS will power the jackpot progressive system for Carnival Corporation ships, including Carnival Cruise Line®, Holland America Line®, and Princess Cruises®.

Launched this year, GOS is the next-generation game management system featuring innovative progressive jackpot options, striking LED sensors, and first-of-its kind digital tracking.

"Carnival Corporation is a global leader in providing first-class experiences for their guests and our continued collaboration is a testament to our shared focus," said Todd Cravens, President and CEO of Galaxy Gaming. "We're thrilled that the deployment of our GOS system will deliver the best-in-class progressive experience and world-famous content to their casino players fleet-wide."

"Our vision at Carnival Corporation is to deliver unforgettable happiness by providing extraordinary cruise vacations to millions of guests. To that end, the Galaxy Operating System will help us create a table game experience that is second to none, ramping up the fun, excitement and rewards more than ever before," said Marty Goldman, Senior Vice President of Global Casino Operations for Carnival Corporation. "We expect the new games to be an instant hit with our guests."
