Terra Tech Launches Legal Cannabis Delivery Service in Orange County, CA

IRVINE, CA / ACCESSWIRE / May 15, 2019 /Terra Tech Corp. ([TRTC](#)) ('Terra Tech') or (the 'Company'), a vertically integrated cannabis-focused agriculture company, today announced that it has launched a legal cannabis delivery service, operating from its state licensed Blüm dispensary in Santa Ana, CA, as of Tuesday, May 14, 2019.

Through its Blüm Santa Ana dispensary, Terra Tech is now a major supplier of medical and adult-use cannabis to Santa Ana and the surrounding cities, such as Irvine, Laguna Beach and Newport Beach. All of the aforementioned cities suffer from a scarcity of existing cannabis dispensaries. Launching a premier delivery service enables the Company to expand distribution of its best-in-class cannabis products to reach an even greater number of patients and customers. The delivery service is fully licensed and compliant with all state regulations.

Terra Tech purchased multiple delivery vans and hired sales associates to deliver products within Orange County, CA, starting with a 20-mile radius out of the Company's Blüm Santa Ana store. Orders for the delivery service will originate from <http://bit.ly/SNADelivery> where customers have access to all available products within the local store's inventory and may choose a two-hour window for delivery during the store's operational hours.

"Santa Ana is the only jurisdiction in the area which has fully regulated cannabis retailers. This allows our Blüm dispensary to serve not just the local population but also consumers from the surrounding cities," commented Derek Peterson, Chief Executive Officer.

"Launching a delivery service is the latest evolution in the cannabis industry, offering a user friendly, seamless process for customers to access top-quality cannabis products at their convenience. Our delivery service is fully compliant with all California regulatory standards so consumers can be confident they are receiving fully tested products from couriers that have undergone comprehensive background checks. Once we finish perfecting operations in Orange County, we have our sights on expanding delivery services out of our Blüm Oakland and Blüm San Leandro locations as well."
