Pursuant to Treasury Regulation §1.1061-6(c), the Company is disclosing additional information related to the capital gain dividends reported on Form 1099-DIV, Box 2a, Total Capital Gain Distributions for purposes of IRC Section 1061. IRC Section 1061 is generally applicable to direct and indirect holders of "applicable partnership interests." The "One Year Amounts" and "Three Year Amounts" required to be disclosed are both zero with respect to the 2025 distributions, since all capital gain distributions relate to IRC Section 1231 gains. Shareholders should consult with their tax advisors to determine whether IRC Section 1061 applies to their capital gain distributions.

100% of the capital gain distributions represent gain from dispositions of US real property interests pursuant to IRC Section 897 for foreign shareholders.

Forward Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws, which are based on current expectations, forecasts and assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," or "potential" or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters. While forward-looking statements reflect the Company's good faith

beliefs, assumptions and expectations, they are not guarantees of future performance. In addition, projections, assumptions and estimates of our future performance and the future performance of the industry in which we operate are necessarily subject to a high degree of uncertainty and risk due to a variety of factors, including those described above. These and other factors could cause results to differ materially from those expressed in our estimates and beliefs and in the estimates prepared by independent parties. For a further discussion of these and other factors that could cause the Company's future results to differ materially from any forward-looking statements, see the reports and other filings by the Company with the U.S. Securities and Exchange Commission, including the Company's Annual Report on Form 10-K for the year ended December 31, 2024, and other filings with the Securities and Exchange Commission. The Company disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, of new information, data or methods, future events or other changes.
