New Mountain Finance Corporation Announces Completion of Public Offering of Common Stock

NEW YORK--(BUSINESS WIRE)-- New Mountain Finance Corporation (the "Company") (NYSE: NMFC) announced today that it has completed a public offering of 3,250,000 shares of its common stock at a public offering price of \$14.80 per share for total gross proceeds of \$48.1 million. In connection with the offering, the Company has granted the underwriters for the offering an option to purchase up to an additional 487,500 shares of common stock.

The Company intends to use the net proceeds from this offering to acquire common membership units from New Mountain Finance Holdings, L.L.C, who in turn, intends to use the net proceeds primarily for new investments in portfolio companies in accordance with its investment objective and strategies. New Mountain Finance Holdings, L.L.C. may also use a portion of the net proceeds for other general corporate purposes, including to temporarily repay indebtedness (which will be subject to reborrowing), and other working capital needs.

The joint-lead book-running managers for the offering were Goldman, Sachs & Co. and Wells Fargo Securities, LLC. The co-lead managers for the offering were RBC Capital Markets, LLC and Stifel, Nicolaus & Company, Incorporated.

Investors are advised to carefully consider the investment objectives, risks and charges and expenses of the Company before investing. The prospectus supplement dated December 4, 2012 and accompanying prospectus dated July 10, 2012, each of which has been filed with the Securities and Exchange Commission, contain a description of these matters and other important information about the Company and should be read carefully before investing.
