New Mountain Finance Corporation Announces Pricing of 8,000,000 Shares of Common Stock

NEW YORK--(BUSINESS WIRE)-- New Mountain Finance Corporation (the "Company") (NYSE: NMFC) announced today that it has priced an underwritten offering of 8,000,000 shares of its common stock at a public offering price of \$13.25 per share. Certain of the Company's officers and interested directors are purchasing an aggregate 400,000 shares in this offering at the public offering price. The Company's investment adviser, New Mountain Finance Advisers BDC, L.L.C. (the "Adviser"), has agreed to bear the sales load of \$0.41 per share payable to the underwriters (other than the 400,000 shares to be purchased by certain officers and interested directors for which no sales load is payable to the underwriters). In addition, the Adviser has agreed to pay the underwriters an additional supplemental payment of \$0.35 per share, which reflects the difference between the actual public offering price of \$13.25 per share and the net proceeds of \$13.60 per share received by the Company in this offering. The net amount received by the Company is believed to be in excess of book value and is therefore accretive to shareholders.

The closing of the offering is subject to customary closing conditions and is expected to take place on October 25, 2019. In connection with the offering, the Company has granted the underwriters for the offering an option to purchase up to an additional 1,200,000 shares of the Company's common stock.

The Company intends to use the net proceeds from the offering primarily for new investments in portfolio companies in accordance with its investment objective and strategies. The Company may also use a portion of such net proceeds for other general corporate purposes, including to temporarily repay indebtedness (which will be subject to re-borrowing), and other working capital needs.

The joint-lead book-running managers for the offering are Wells Fargo Securities, LLC, Morgan Stanley & Co. LLC, BofA Securities, Goldman Sachs & Co. LLC, Keefe, Bruyette & Woods, A *Stifel Company*, UBS Securities LLC and Deutsche Bank Securities Inc. The co-managers for the offering are Janney Montgomery Scott LLC and Oppenheimer & Co. Inc.

Investors are advised to carefully consider the investment objectives, risks and charges and expenses of the Company before investing. The preliminary prospectus supplement, dated October 22, 2019, and accompanying prospectus, dated April 29, 2019, each of which has been filed with the Securities and Exchange Commission, contain a description of these matters and other important information about the Company and should be read carefully before investing.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy the securities in this offering or any other securities, nor shall there be any sale of these securities or any other securities referred to in this press release in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any state.

A shelf registration statement relating to these securities is on file with and has been declared effective by the Securities and Exchange Commission. About New Mountain Finance Corporation

New Mountain Finance Corporation is a closed-end, non-diversified and externally managed investment company that has elected to be regulated as a business development company under the Investment Company Act of 1940, as amended. The Company's investment objective is to generate current income and capital appreciation through the sourcing and origination of debt securities at all levels of the capital structure, including first and second lien debt, notes, bonds and mezzanine securities. The Company's first lien debt may include traditional first lien senior secured loans or unitranche loans. Unitranche loans combine characteristics of traditional first lien senior secured loans as well as second lien and subordinated loans. Unitranche loans will expose the Company to the risks associated with second lien and subordinated loans to the extent it invests in the "last out" tranche. In some cases, the investments may also include small equity interests. The Company's investment activities are managed by its investment adviser, New Mountain Finance Advisers BDC, L.L.C., which is an investment adviser registered under the Investment Advisers Act of 1940, as amended.
