About Wrap

Wrap Technologies, Inc. (Nasdaq: WRAP) is a global public safety technology and services company that delivers safe and effective policing solutions to law enforcement and security personnel worldwide. Wrap is leading the movement for safer policing by equipping officers with safe, non-pain compliance tools and immersive training for the modern world. The Company's solutions, products, and services include the BolaWrap® Remote Restraint Device and Wrap Reality™.

Wrap's BolaWrap® Remote Restraint device is a patented, hand-held pre-escalation and apprehension tool that discharges a Kevlar® tether to safely detain persons without pain, injury, or the need to use higher levels of force.

Wrap Reality™, the Company's virtual reality training system, is a fully immersive training simulator and comprehensive public safety training platform providing first responders with the discipline and practice in methods of de-escalation, conflict resolution, and use-of-force to better perform in the field. Through its growing availability of real-life scenarios, Wrap Reality™ covers all facets of law enforcement training from verbal commands to tactical use-of-force.

Wrap's headquarters are in Tempe, Arizona. For more information, please visit wrap.com.
