About Super League

Super League Gaming ([Nasdaq: SLGG](https://www.nasdaq.com/symbol/sl-gg)) is a leading gaming community and content platform that gives everyday gamers multiple ways to connect and engage with others while enjoying the video games they love. Powered by proprietary technology systems, Super League offers players the ability to create gameplay-driven experiences they can share with friends, the opportunity to watch live streaming broadcasts and gameplay highlights across digital and social channels, and the chance to compete in events and challenges designed to celebrate victories and achievements across multiple skill levels. With gameplay and content offerings featuring more than a dozen of the top video game titles in the world, Super League is building a broadly inclusive, global brand at the intersection of gaming, experiences and entertainment. Whether to access its expanding direct audience or the company's unique content production and virtual event capabilities, third parties ranging from consumer brands, video game publishers, television companies, traditional sports organizations, concert promoters, and more, are turning to Super League to provide integrated solutions that drive business growth.

About LD Micro

Back in 2006, LD Micro began with the sole purpose of being an independent resource to the microcap world.

What started as a newsletter highlighting unique companies, has transformed into the pre-eminent event platform in the space.

The upcoming "500" in September is the Company's most ambitious project yet, and the first

event that is accessible to everyone.

For those interested in attending, please contact David Scher at david@ldmicro.com or visit www.ldmicro.com for more information.
