AMENDED AND RESTATED
CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS OF
DOUBLEVERIFY HOLDINGS, INC.

As Adopted by the Board of Directors on April 9, 2021

Pursuant to duly adopted amended and restated bylaws of the Company (the “Bylaws”), the Board of Directors (the “Board”) of DoubleVerify Holdings, Inc. (the “Company”) has determined that the Audit Committee of the Board (the “Committee”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. The Board hereby adopts this Amended and Restated Audit Committee Charter (this “Charter”) to establish the governing principles of the Committee and to set forth, among other things, the purpose, membership, duties and responsibilities of the Committee. This Charter shall be effective upon the listing of the Company’s common stock on the New York Stock Exchange (the “NYSE”).

1. Purpose

The primary purposes of the Committee are: (a) to assist the Board in overseeing (i) the quality and integrity of the Company’s financial statements, (ii) the qualifications, independence and performance of the Company’s independent auditor, (iii) the performance of the Company’s internal audit function and (iv) the Company’s compliance with legal and regulatory requirements; and (b) to prepare the report of the Committee required to be included in the Company’s annual proxy statement under the rules of the U.S. Securities and Exchange Commission (the “SEC”).

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate, or are in accordance with generally accepted accounting principles (“GAAP”). The primary responsibility to plan and conduct audits is that of the Company’s independent auditor. Each member of the Committee shall be entitled to rely, to the maximum extent permitted under applicable law, on (a) the integrity of those persons and organizations within and outside the Company from which it receives information and (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board).

2. Membership

The Committee shall consist of at least three members. The initial members of the Committee shall be appointed by the Board and, thereafter, the members of the
Committee shall be appointed by the Board on the recommendation of the Nominating and Corporate Governance Committee of the Board. Members of the Committee shall serve at the pleasure of the Board and for such term or terms as the Board may determine. Members of the Committee may be removed or replaced, and any vacancies on the Committee shall be filled, by the Board.

The membership of the Committee shall, subject to any applicable transition rules, satisfy the independence requirements relating to directors and audit committee members (a) of the NYSE and (b) under Section 10A(m) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and any related rules and regulations promulgated thereunder by the SEC. Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after appointment to the Committee. At least one member of the Committee shall qualify as an audit committee financial expert, as such qualification is interpreted by the Board in its business judgment. The membership of the Committee shall meet the foregoing requirements within the phase-in periods provided in the NYSE rules relating to audit committees of public companies following an initial public offering.

No director may serve as a member of the Committee if such director serves on the audit committee of more than three other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee.

The Board shall designate one member of the Committee as its chairperson (the “Chairperson”).

The Committee shall have the authority to establish one or more subcommittees and may delegate, in its discretion, all or a portion of its duties and responsibilities to such subcommittee, provided the subcommittees are composed entirely of directors satisfying the Committee’s independence standards.

3. Duties and Responsibilities

The Committee’s duties and responsibilities shall include each of the items enumerated in this Section 3 and such other matters as may from time to time be delegated to the Committee by the Board.

(iv) the Company’s compliance with legal and regulatory requirements.

(b) The Committee shall undertake and review with the Board an annual performance evaluation of the Committee, which shall compare the performance of the Committee with the requirements of this Charter and set forth the goals and objectives of the Committee for the upcoming year. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. The report to the Board may take the form of an oral report by the Chairperson of the Committee or any other member of the Committee designated by the Committee to make this report.

(c) The Committee shall review and re-assess annually the adequacy of this Charter and recommend any proposed changes to the Board for approval.

The Committee shall be responsible for resolving disagreements between management and each such independent auditor regarding financial reporting. The Committee shall have the responsibility and authority to approve, in advance of the provision thereof, all audit services and, subject to the de minimis exception of Section 10A(i) of the Exchange Act and the SEC rules promulgated thereunder, all permitted non-audit services to be provided to the Company by any such independent auditor. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals of audit and non-audit services pursuant to Section 10A(i)(3) of the Exchange Act and any related rules promulgated thereunder by the SEC, which pre-approvals shall be presented to the full Committee at the next scheduled meeting.

(E) to assess the auditor’s independence, all relationships between the independent auditor and the Company consistent with the applicable requirements of the SEC and PCAOB; and

(F) review the foregoing report and the independent auditor’s work throughout the year and evaluate the independent auditor’s qualifications, performance, independence and quality control procedures, including a review and evaluation of the lead partner on the independent auditor’s engagement with the Company, and present its conclusions to the Board and, if so determined by the Committee, recommend that the Board take additional action to satisfy itself of the qualifications, performance and independence of the independent auditor.

(g) The Committee shall, at least annually, discuss with the independent auditor, out of the presence of management if deemed appropriate:
