Inpixon Announces Appointment of Zaman Khan as President of Inpixon Federal

Information Technology Veteran Will Lead Expansion and Growth of Government Business Division

PALO ALTO, Calif.--(BUSINESS WIRE)-- [Inpixon](#) (NASDAQ: INPX), a leading indoor positioning analytics company, today announced the appointment of Zaman Khan as the President of [Inpixon Federal](#), a subsidiary of Inpixon that provides cutting-edge solutions for federal, state and local government agencies and educational institutions.

"We are extremely fortunate to have Zaman lead our Inpixon Federal organization," said Nadir Ali, CEO of Inpixon. "His successful track record of sales and operational leadership will be instrumental to the expansion of our public sector-focused division centered on bringing innovation and modernization to federal, state and local government agencies. Zaman's primary focus will be to strengthen our alliance with OEM vendors and pave the way to introducing our indoor positioning and data analytics solutions to this strategic market sector."

Zaman Khan brings more than 20 years of experience in the information technology sector. Before joining Inpixon, Khan was the Executive Vice President at a large IT solutions government contractor where he was responsible for leading the development and execution of strategic programs, professional services, and contracts management. Additionally, Khan has worked for multiple IT companies, garnering extensive management experience within marketing, capture management, service delivery, finance and administration.

"Inpixon has a long history of commitment in serving government agencies, first as Sysorex Government Services, and then with the acquisition of Integrio Technologies in 2016, by providing quality technology and professional services to support many of our nation's critical projects," said Khan. "I look forward to expanding and further strengthening our relationship with the public sector community as the head of Inpixon Federal. My team and I will be dedicated to meeting the unique cyber and locational security needs of federal customers."

About Inpixon

Inpixon (NASDAQ: INPX) is a leader in Indoor Positioning and Data Analytics. Inpixon sensors are designed to find all accessible cellular, Wi-Fi, and Bluetooth devices anonymously. Paired with a high performance data analytics platform, this technology delivers visibility, security, and business intelligence on any commercial or government premises world-wide. Inpixon's products, infrastructure solutions, and professional services group help customers take advantage of mobile, big data, analytics, and the Internet of Things (IoT) to uncover the untold stories of the indoors.
