

Phunware Launches Next Generation Mobile Healthcare Solution at Parkview Health

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today a new [Multiscreen-as-a-Service \(MaaS\)](#) deployment with [Parkview Health](#) of Fort Wayne, Indiana, for its new [digital front door](#) on mobile.

Founded in 1878, Parkview Health is the region’s largest employer with more than 13,000 employees in 10 hospitals who serve nearly one million people across Northeast Indiana and Northwest Ohio. The Parkview Health mobile application portfolio is available on the [Apple iOS](#) and [Google Android](#) operating systems to better engage patients across their continuum of care, all while optimizing operational and staff efficiencies, lowering costs and boosting revenue. Patients, staff and visitors alike can now seamlessly engage with critical healthcare functions and navigate across more than 1.7 million square feet spanning seven floors, including more than 400 customized points of interest.

“The Parkview Health mobile application portfolio is an excellent example of the digital transformation in healthcare that Phunware can help leading healthcare organizations achieve,” said [Alan S. Knitowski](#), President, CEO and Co-Founder of Phunware. “By leveraging Phunware’s MaaS platform, Parkview Health now offers a frictionless experience through one stand-alone app for all of their needs, which is even more challenging and critical due to the ongoing coronavirus pandemic specific to COVID-19.”

Phunware’s [digital front door](#) not only enables [feature-rich mobile application solutions](#) for healthcare providers, but it also offers seamless integrations with [Electronic Health Records \(EHRs\)](#) such as [Epic](#) and [Cerner](#), as well as telehealth service providers such as [Teledoc](#) and [Amwell](#). This holistic approach completely eliminates the pain of having to manage dozens of point solutions while simultaneously offering staff, patients and visitors a far more simplistic, cohesive and integrated healthcare experience. Additional capabilities include, but are not limited to:

- Mobile engagement for contextual notifications, including appointment reminders
- Real-time “blue dot” indoor positioning, including mapping, navigation and wayfinding
- [Beacon Maintenance](#) to ensure optimal performance of location based services
- [Epic MyChart](#) integration with face ID biometric login medical record access
- Prescription management with Teledoc and E-Visit functionality
- Staff directory
- Analytics

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
