# Phunware Adds HID Mobile Access Integration for MaaS Platform Deployments

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today its [Multiscreen-as-a-Service \(MaaS\)](#) platform now offers a seamless integration with [HID Mobile Access](#), a credentialing technology developed by [HID Global](#).

HID Global is an independent brand of [Assa Abloy](#), a global leader in door and access technology headquartered in Stockholm, Sweden. HID Global has over 3,000 employees across more than 100 countries supporting end users primarily in government, financial, corporate, education and healthcare markets.

“Phunware’s MaaS platform provides organizations with a comprehensive mobile software layer that helps drive not only user engagement, but also promotes improved utilization of disparate information technology solutions and resources,” said [Luan Dang](#), CTO and Co-Founder of Phunware. “By integrating with existing technologies like HID Mobile Access, we help our customers create and promote seamless, mobile-first experiences, to enhance their productivity and profitability.”

HID Mobile Access enables employees to use their smartphone, tablet or wearable to access doors, gates and networks. With Phunware’s new integration in MaaS, app users are able to use mobile devices instead of cumbersome badges or key fobs. Phunware also integrates with [BEEKs™](#) Bluetooth Low-Energy (“BLE”) beacons, which are available through [HID Location Services](#). HID Location Services is a location engine powered by a Bluetooth to Wi-Fi network, delivering location-aware data to address people, high-valued assets and equipment applications under a single Internet of Things (“IoT”) umbrella.

## Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
