

Phunware Lands Contract Expansion Win with Parkview Health

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today a contract expansion win for its [Multiscreen-as-a-Service \(MaaS\) platform](#) and patented [Location Based Services \(LBS\)](#) at the new [South Tower of Parkview Regional Medical Center \(PRMC\)](#) in Fort Wayne, Indiana.

Construction of the South Tower began in May 2018, in direct response to growing community needs for additional medical and healthcare services. Parkview Health invested in and completed construction on the six-story, 168,000-square-foot tower, adding more than 70 new inpatient beds. The [Parkview Health](#) mobile application portfolio is currently available on both [Apple iOS](#) and [Google Android](#), providing patients, staff and visitors with seamless campus-wide navigation, both outdoors and indoors, while also enabling a personalized patient experience that improves the operational workflows for the medical center and its staff.

“With the South Tower’s completion, and the parallel continuation of the ongoing COVID-19 pandemic, it became increasingly important to provide all mobile applications users at PRMC with highly functional, granularly accurate, real-time routing experiences,” said [Alan S. Knitowski](#), President, CEO and Co-Founder of Phunware. “By leveraging our MaaS platform and its expanded LBS capabilities, Parkview Health now offers a fully frictionless patient and guest experience through one stand-alone app portfolio that provides superior treatment and care amidst the growing and evolving medical needs of their local communities.”

Phunware’s [MaaS digital front door](#) not only enables [feature-rich mobile application solutions](#) for healthcare providers, but it also offers seamless integrations with [Electronic Health Records \(EHRs\)](#) such as [Epic](#) and [Cerner](#), as well as telehealth service providers such as [Teledoc](#) and [Amwell](#). Additional capabilities include, but are not limited to:

- Mobile engagement for contextual notifications, including appointment reminders
- Real-time “blue dot” indoor positioning, including mapping, navigation and wayfinding
- [Beacon Maintenance](#) to ensure optimal performance of location based services
- [Epic MyChart](#) integration with Face ID biometric login medical record access
- Prescription management with Teledoc and E-Visit functionality
- Staff and administration directories
- Analytics and business intelligence

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
