

Phunware Launches Cisco Webex Collaboration Solution for Integrated Room Presence within Smart Workplace Mobile Applications

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today it will make available the features of an integrated solution it developed in collaboration with [Cisco Systems, Inc. \(NASDAQ: CSCO\)](#) to monitor and track room occupancy via [Cisco Webex Room Series](#).

“As a strategic investor and valued channel partner, Cisco is a natural fit to further integrate their cutting-edge hardware with our patented software to enhance our [Smart Workplace](#) solution for global customers worldwide,” said [Randall Crowder](#), COO of Phunware. “With certified integrations like [Cisco Webex](#), our cloud platform for mobile provides a more comprehensive and seamless user experience that will help enterprise customers return to work in a safe, responsible and auditable manner for a [post-pandemic](#) environment.”

Phunware’s room presence capabilities now available in its [Smart Workplace](#) solution were designed to support Cisco’s vision for a [three-dimensional cognitive workspace](#) by integrating Phunware’s [Multiscreen-as-a-Service \(MaaS\)](#) platform with [Cisco Webex Room Kits](#). Features and capabilities include, but are not be limited to:

- Determining occupied and unoccupied room status by associated color icons for rooms
- Displaying only currently available rooms
- Filtering by floor
- Viewing and searching room directories
- Filtering destinations by conference rooms, restrooms or elevators
- Viewing conference room details to include if a room is unoccupied, the number of people in a room, the number of seats in a room, the available Cisco hardware in a room and the phone number for a room
- Routing from a current location, or Point of Interest (POI), to a selected POI destination using Phunware’s patented [Location Based Services \(LBS\)](#) software and technology
- Starting a Webex meeting through an automated arrival message

[Click here](#) to learn more about Phunware’s [Multiscreen-as-a-Service \(MaaS\)](#) platform and how it can facilitate not just a [three-dimensional cognitive workspace](#) for any [Smart Workplace](#), but also true digital transformation in a mobile-first world.

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding

our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
