Benzinga to Host Fireside Chat with Former Congressman Ryan Costello on Phunware-Enabled Politics

AUSTIN, Texas, Oct. 26, 2021 (GLOBE NEWSWIRE) -- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the "Company"), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today it will be participating in a fireside chat with Ryan Costello, a Company Board Member and former Pennsylvania Congressman, on Wednesday, November 3rd, at 12:00 PM ET. Ryan Costello and Phunware Chief Operating Officer, Randall Crowder, will be hosted by [Benzinga](#) to discuss Phunware's previous work with the Trump Administration, as well as how Phunware's platform can be used to better engage voters and build robust communities that foster the fair exchange of information and ideas.

Ryan Costello previously served in the United States Congress from 2015 to 2019, where he focused on digital commerce and technology issues, including privacy, Internet of Things (IoT), cyber security and healthcare IT. Prior to Congress, he served as a Township and County official who regularly dealt with vendors in the technology services procurement process. Mr. Costello also previously served on his local hospital's board of directors. He is now a consultant in Washington D.C., advising energy, technology and healthcare companies on public policy issues involving the federal government.

The fireside chat will be broadcast live at <https://www.youtube.com/watch?v=9siVkpBnsmY> and available for replay via the investor relations section of the company's website at <https://investors.phunware.com>.

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "expose," "intend," "may," "might," "opportunity," "plan," "possible," "potential," "predict," "project," "should," "will," "would" and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to

be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
