CAMARILLO, Calif.--(BUSINESS WIRE)-- [Salem Media Group](#), Inc. (OTCQX: SALM) announced today that GodTube, the trusted destination for uplifting, family-friendly entertainment, is officially launching GodTube Music, a dynamic new platform dedicated to Christian music news, artist interviews, and exclusive live performances. Launched on March 1st, GodTube Music is already resonating with audiences across the world.

GodTube Music, a proud member of the GodTube.com family, is rapidly establishing itself as the premier daily source for Christian music enthusiasts. It's the place to be for first looks at new song and music video releases, timely updates on both established and emerging artists, plus exclusive performances and artist interviews filmed at the GodTube Music Studio in Nashville, TN, the heart of the Christian music scene.

Since its March debut, GodTube Music has been averaging over 700,000 monthly social media video views and reaches a robust audience of more than 200,000 email subscribers through its thrice-weekly newsletter. Discover the soul-stirring music and enriching content at www.GodTubeMusic.com.

But that's just the beginning.

Coming this July, GodTube Music will debut a brand-new podcast titled "Behind The Praise" through the LifeAudio podcast network. From chart-topping hits to heartfelt worship anthems, "Behind The Praise" dives into the inspiration, Scripture, and testimonies that breathe life into the music.

"We're thrilled to offer a platform that brings together inspiring music and a passionate community of believers," said Janna Bailey, Brand Manager at GodTube.

GodTube Music's editorial and video content are curated by Brandon Woolum, a veteran Christian music journalist who most recently served as the editor of *CCM Magazine*.
