About Bird

Bird is an electric vehicle company dedicated to bringing affordable, environmentally friendly transportation solutions such as e-scooters and e-bikes to communities across the world. Founded in 2017 by transportation pioneer Travis VanderZanden, Bird is rapidly expanding. Today, it provides fleets of shared micro electric vehicles to riders in more than 400 cities globally and makes its products available for purchase at www.bird.co and via leading retailers and distribution partners. Bird partners closely with the cities in which it operates to provide a reliable and affordable transportation option for people who live and work there.
