Energous Corporation Announces Conference Call for Fourth Quarter and Full Year 2020 Financial Results

SAN JOSE, Calif.--(BUSINESS WIRE)-- [Energous Corporation](#) (NASDAQ: WATT), the developer of WattUp[®], a revolutionary wireless charging 2.0 technology, today announced that it will hold a conference call on Thursday, Feb. 25 at 1:30 p.m. PT (4:30 p.m. ET) to discuss its financial results for the fourth quarter and full year ended December 31, 2020.

Interested parties can access the call by dialing 888-317-6003 within the United States or 412-317-6061 from international locations and providing the code 3110307 to be connected to the Energous Corporation conference call. The call also will be broadcast on the Energous website at www.energous.com, where it will be archived for at least one year.

For those unable to attend the live call, a replay will be available through March 10, 2021 by dialing 877-344-7529 within the United States or 412-317-0088 from international locations, using conference ID 10152108.

About Energous Corporation

Energous Corporation (Nasdaq: WATT) is the global leader of Wireless Charging 2.0 technology. Its award-winning WattUp[®] solution is the only technology that supports both contact and distance charging through a fully compatible ecosystem. Built atop fast, efficient and highly scalable RF-based charging technology, WattUp is positioned to offer substantial improvements over older, first generation coil-based charging technologies in power, efficiency, foreign device detection, freedom of movement and overall cost for consumer electronics, medical devices, retail, military, industrial/commercial IoT, automotive, military, retail and industrial applications. Energous develops silicon-based wireless power transfer (WPT) technologies and customizable reference designs, and provides worldwide regulatory assistance, a reliable supply chain, quality assurance, and sales and technical support to global customers. The company received the world's first FCC Part 18 certification for at-a-distance wireless charging and has been awarded 230 patents for its WattUp wireless charging technology to-date. Safe Harbor Statement

This press release contains forward-looking statements that describe our future plans and expectations. These statements generally use terms such as "believe," "expect," "may," "will," "should," "could," "seek," "intend," "plan," "estimate," "anticipate" or similar terms. Examples of our forward-looking statements in this release include our statements about the future of the wireless charging industry and our technology. Our forward-looking statements speak only as of this date; they are based on current expectations and we undertake no duty to update them. Factors that could cause actual results to differ from what we expect

include: uncertain timing of necessary regulatory approvals; timing of customer product development and market success of customer products; our dependence on distribution partners; and intense industry competition. We urge you to consider those factors, and the other risks and uncertainties described in our most recent annual report on Form 10-K and subsequent quarterly reports on Form 10-Q, in evaluating our forward-looking statements.
