UiPath Announces Winners of 2021 Partner Awards from FORWARD IV Conference

UiPath partners selected for innovation, completeness of offering, and leadership across six categories

LAS VEGAS--(BUSINESS WIRE)-- UiPath (NYSE: PATH), a leading [enterprise automation](#) software company, today at its user conference, [FORWARD IV](#), announced the winners of its UiPath 2021 Partner Awards, celebrating partners that have excelled with their dedication in delivering value to customers with the UiPath end-to-end automation platform.

To date, more than 4,700 partners have joined the UiPath partner program, a global ecosystem of recognized leaders in technology who are transforming the way humans work. Partners around the world leverage the UiPath platform to provide solutions and services to their customers. As a UiPath partner, organizations access the fastest growing enterprise software category with the market leader in automation, solve customer challenges and create higher productivity for customers, and differentiate their own businesses with partner certifications as part of the UiPath Services Network.

“UiPath is a partner-first organization, and our ecosystem is growing rapidly as partners recognize the expansive opportunities in front of them with automation,” said Eddie O’Brien, global channel chief at UiPath. “We’re thrilled to acknowledge our 2021 Partner Award winners for the expertise and commitment they consistently bring to market in order to help customers reimagine work. UiPath expects to continue investing in its partner strategy to maximize our partners’ potential and pursue successful business outcomes for customers.”

The UiPath 2021 Partner Award winners are:
