

TrueBlue Reports Fiscal First Quarter 2017 Results

TACOMA, Wash.--(BUSINESS WIRE)-- TrueBlue, Inc. (NYSE:TBI) announced today its fiscal first quarter 2017 results.

Revenue was \$568 million, a decrease of 12 percent, compared to revenue of \$646 million in the fiscal first quarter of 2016. Excluding the previously disclosed reduction in the scope of services provided to our former largest customer, revenue declined by 3 percent. Net income per diluted share was \$0.11 compared to \$0.17 in the fiscal first quarter of 2016. Adjusted net income per diluted share 1 was \$0.21 compared to \$0.27 in the fiscal first quarter of 2016.

"Our team did a great job managing bill rates and reducing operating expenses to generate net income ahead of our expectation," TrueBlue CEO Steve Cooper said. "With the majority of the revenue growth headwind behind us from our former largest customer, we have set the stage for long-term growth.

"Businesses value the speed and specialized nature of our services that help them get the right talent into the right job, at the right time. The growing breadth of our workforce solutions, our new go-to-market brands, and innovative use of technology increasingly position us to meet the needs of businesses as they adapt to a constantly changing business environment."

2017 Outlook

The company estimates revenue for the fiscal second quarter of 2017 will range from \$600 million to \$615 million. It also expects net income per diluted share will range from \$0.29 to \$0.34. Adjusted net income per diluted share 1 is expected to be \$0.38 to \$0.43.

Management will discuss first quarter 2017 results on a webcast at 2 p.m. PT (5 p.m. ET) today, Monday, May 1. The webcast can be accessed on TrueBlue's website: www.trueblue.com.

About TrueBlue:

TrueBlue (NYSE:TBI) is a leading provider of specialized workforce solutions that help clients create growth, improve efficiency and increase reliability. TrueBlue connected over 815,000 people with work during 2016 in a wide variety of industries through its PeopleReady segment offering industrial staffing services, PeopleManagement segment offering on-site workforce management and PeopleScout segment offering recruitment process outsourcing services. Forward-looking Statements

This release contains forward-looking statements relating to our plans and expectations, all of which are subject to risks and uncertainties. Such statements are based on management's expectations and assumptions as of the date of this release and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in our forward-looking statements. We presently consider the following to be among important factors that could cause actual results to differ materially from the company's expectations: (1) national and global economic conditions, (2) our ability to attract and retain customers, (3) our ability to maintain profit margins, (4) new laws and regulations that could have a material effect on our operations or financial results, (5) our ability to successfully complete and integrate acquisitions. Other information regarding factors that could materially affect our results is included in our SEC filings, including the company's most recent reports on Forms 10-K and 10-Q, copies of which may be obtained by visiting our website at www.trueblue.com under the Investor Relations section or the SEC's website at www.sec.gov. We assume no duty to update or revise any forward-looking statements contained in this release.

41,798

- (1) Acquisition and integration costs relate to the acquisition of the recruitment process outsourcing business of Aon Hewitt, which was completed on January 4, 2016, and the acquisition of SIMOS, which was completed on December 1, 2015.
- (2) Amortization of intangible assets of acquired businesses as well as accretion expense related to the SIMOS acquisition earn-out.
- (3) Total tax effect of each of the adjustments to U.S. GAAP Net income per diluted share using the ongoing rate of 28%.
- (4) Adjusts the effective income tax rate to the expected ongoing rate of 28%.

Diluted weighted average shares outstanding

- (5) These third-party processing fees are associated with generating the Work Opportunity Tax Credits, which are designed to encourage employers to hire workers from certain targeted groups with higher than average unemployment rates and reduce our income taxes.
- (6) Adjusted net income and Adjusted net income per diluted share are non-GAAP financial measures, which exclude from Net income and Net income on a per diluted share basis, costs related to acquisition and integration costs, amortization of intangibles of acquired businesses as well as accretion expense related to acquisition earn-out, tax effect of each adjustment to U.S. GAAP Net income, and adjusts income taxes to the expected ongoing effective tax rate. Adjusted net income and Adjusted net income per diluted share are key measures used by management to assess performance and, in our opinion, enhance comparability and provide investors with useful insight into the underlying trends of the business. Adjusted net income and Adjusted net income per diluted share should not be considered measures of financial performance in isolation or as an alternative to net income or net income per diluted share in the Consolidated Statements of Operations in accordance with U.S. GAAP, and may not be comparable to similarly titled measures of other companies. Adjusted net income and net income per diluted share previously excluded the third-party processing fees associated with generating Work Opportunity Tax Credits.
- (7) EBITDA and Adjusted EBITDA are non-GAAP financial measures. EBITDA excludes interest, taxes, depreciation and amortization. Adjusted EBITDA further excludes from EBITDA costs related to acquisition integration costs and Work Opportunity Tax Credit third-party processing fees. EBITDA and Adjusted EBITDA are key measures used by management to assess performance and, in our opinion, enhance comparability and provide investors with useful insight into the underlying trends of the business. EBITDA and Adjusted EBITDA should not be considered measures of financial performance in isolation or as an alternative to Income from operations in the Consolidated Statements of Operations in accordance with U.S. GAAP, and may not be comparable to similarly titled measures of other companies.
- (8) The impact of our former largest customer excluding interest, taxes, depreciation and amortization.
