Except for historical information contained herein, the matters set forth in this press release are "forward-looking statements." All statements other than statements of historical fact are "forward-looking statements" for purposes of federal and state securities laws, including any projections of earnings, revenue or other financial items; any statements of the plans, strategies and objectives of management for future operations; any statements concerning proposed new services or developments; any statements regarding future economic conditions or performance; any statements of belief; and any statements of assumptions underlying any of the foregoing. Forward-looking statements may include the words, "may," "will," "estimate," "intend," "continue," "believe," "expect," or "anticipate" and any other similar words.

Although we believe that the expectations reflected in any of our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any

of our forward-looking statements. Our future financial condition and results of operations, as well as any forward-looking statements, are subject to change and to inherent risks and uncertainties, such as those disclosed or incorporated by reference in our filings with the Securities and Exchange Commission. Important factors that could cause our actual results, performance and achievements, or industry results to differ materially from estimates or projections contained in our forward-looking statements include, among others, the following:

- our relationship with, and our ability to influence the actions of, our distributors;
- adverse publicity associated with our products or network marketing organization;
- uncertainties relating to interpretation and enforcement of recently enacted legislation in China governing direct selling;
- our inability to obtain the necessary licenses to expand our direct selling business in China;
- adverse changes in the Chinese economy, Chinese legal system or Chinese governmental policies;
- improper action by our employees or international distributors in violation of applicable law;
- changing consumer preferences and demands;
- loss or departure of any member of our senior management team which could negatively impact our distributor relations and operating results;
- the competitive nature of our business;
- regulatory matters governing our products, including potential governmental or regulatory actions concerning the safety or efficacy of our products, and network marketing program including the direct selling market in which we operate;
- risks associated with operating internationally, including foreign exchange and devaluation risks;
- our dependence on increased penetration of existing markets;
- contractual limitations on our ability to expand our business;
- our reliance on our information technology infrastructure and outside manufacturers;
- the sufficiency of trademarks and other intellectual property rights;
- product concentration;
- our reliance on our management team;
- uncertainties relating to the application of transfer pricing, duties, value added taxes and similar tax regulations;
- taxation relating to our distributors;
- product liability claims; and
- whether we will purchase any of our shares in the open markets or otherwise.
