nutraceuticals, functional foods and herbs, and he has authored and co-authored a number of articles and papers on this subject.

Wang received his Ph.D. from the National Taiwan University and in 2008 was awarded the National Award of Biomedicine in Taiwan for his contribution to medical education.

The Nutrition Advisory Board is comprised of leading experts from around the world in the fields of nutrition and health who inform, educate and train Herbalife independent distributors on the principles of nutrition, physical activity and healthy lifestyle. The board is chaired by David Heber, M.D., Ph.D., director of the Center for Human Nutrition at the University of California, Los Angeles (UCLA)\*.

Wang is distinguished professor and former president of the Chung Shan Medical University in Taiwan. He is also honorary president of the Nutrition Society of Taiwan; council member of the Federation Association of Asian Nutrition Societies; chief executive of the International Society for Nutraceuticals and Functional Foods; and visiting professor at the Tokyo Medical University.

Wang's research work is focused on human metabolism and the clinical evaluation of nutritional supplements,

\* The University of California, as a matter of policy, does not endorse specific products or

services. Dr. Heber's credentials as a professor are for identification purposes only.
