Herbalife is Official Nutrition Sponsor of the 2015 YMCA Stair Climb for Los Angeles

\$15,000 Donation to Help Support Downtown L.A. YMCA Efforts to Strengthen Communities

LOS ANGELES--(BUSINESS WIRE)-- Global nutrition company [Herbalife](#) (NYSE: HLF) has announced a \$15,000 donation as part of its ongoing commitment as Official Nutrition Sponsor of the 2015 YMCA Stair Climb for Los Angeles.

This is the third straight year Herbalife will serve as the Official Nutrition Sponsor of the YMCA Stair Climb. The \$15,000 donation will help support the downtown YMCA's programs that promote youth development, healthy living and social responsibility.

The YMCA stair climb—taking place on Friday, September 25—will showcase a range of Herbalife sports nutrition products throughout the event, including Herbalife's popular H3O hydration product and its effervescent Liftoff® energy product, all designed to keep athletes of all levels fueled during competition. Herbalife products will be placed into 4,000 gift bags prepared by the YMCA for stair climb participants.

"Herbalife is committed to promoting a healthy, active lifestyle among people of all fitness levels, regardless of where they are on their nutrition and wellness journey," said Amy Greene, senior vice president, global engagement, Herbalife. "We are honored to partner with the YMCA of Downtown Los Angeles and to be the official nutrition sponsor of this year's YMCA Stair Climb."

97 Herbalife employees are expected to climb the 1,664 stairs it takes to reach the pinnacle of the US Bank tower in Downtown Los Angeles—the tallest building west of the Mississippi. Several independent Herbalife members were also on hand at the Herbalife booth.

The sponsorship further highlights Herbalife's commitment to playing an active role in the Los Angeles community—an area known for its large Latino community and served by the YMCA of Metropolitan Los Angeles.

The agreement with the YMCA is part of Herbalife's broader community engagement program aimed at promoting good nutrition as part of a healthy, active lifestyle. For example, during September alone, Herbalife has supported the Los Angeles triathlon, the Nautica Malibu Triathlon, the DC Nation's Triathlon in Washington D.C., and the 2015 ITU World Triathlon Grand Final and World Championships in Chicago, with many Herbalife employees and members also participating in the events.

Herbalife also works with the Red Cross Los Angeles to provide disaster relief and protein recovery snacks to blood donors. Herbalife also supports a number of local charities and

organizations, such as 'A Place Called Home', the Children's Institute Inc., and the Union Rescue Mission to help provide nutrition support to vulnerable children and families in the L.A. area.
