Herbalife Announces Final Results of Self-Tender Offer

LOS ANGELES--(BUSINESS WIRE)-- Herbalife Ltd. (NYSE: HLF) ("Herbalife" or "Company") today announced the final results of its "modified Dutch auction" tender offer, which expired at 5:00 P.M., New York City time, on Thursday, October 5, 2017, to purchase for cash up to an aggregate of \$600 million of the Company's common shares at a per share price not less than \$60.00 nor greater than \$68.00, plus a non-transferable contractual contingent value right ("CVR") for each share tendered, allowing participants in the tender offer to receive a contingent cash payment should Herbalife be acquired in a going-private transaction within two years of the commencement of the tender offer.

Based on the final count by Computershare Trust Company, N.A., the Depositary for the tender offer ("Depositary"), a total of 6,732,300 common shares of the Company were properly tendered and not properly withdrawn at or below the final cash purchase price of \$68.00 per share.

Accordingly, the Company accepted for purchase 6,732,300 common shares of the Company at a cash purchase price of \$68.00 plus a CVR per share, for a total cash cost of approximately \$457.8 million, excluding fees and expenses relating to the tender offer. These common shares represent approximately 7.2% of the Company's total outstanding shares as of October 9, 2017.

Because the aggregate cash purchase price of the total number of common shares of the Company properly tendered and not properly withdrawn at or below the final cash purchase price of \$68.00 plus a CVR per share was less than \$600 million, all of the shares properly tendered and not properly withdrawn were accepted for purchase.

The Depositary will promptly pay for the shares accepted for purchase. In addition, the Company has entered into the CVR agreement with the Depositary, acting as the CVR agent.

The Company expects to cancel all of the shares purchased pursuant to the tender offer on October 16, 2017. After giving effect to the purchase and cancellation of the shares, the Company will have approximately 87.2 million outstanding shares.

The Company funded the share purchases in the tender offer from the proceeds from the \$1,300.0 million term loan under its \$1,450.0 million senior secured credit facility entered into on February 15, 2017.

The Company's tender offer was made pursuant to an Offer to Purchase and Letter of Transmittal, each dated August 21, 2017 and as amended September 18, 2017, October 2, 2017, October 4, 2017, and October 6, 2017.
