## Herbalife Nutrition Experts Invited to Present at Scientific Nutrition and Wellness Leadership Conferences Worldwide

LOS ANGELES--(BUSINESS WIRE)-- Herbalife Nutrition, a premier global nutrition company, announced today that leading experts from its staff of over 300 scientists, along with members from its Nutrition Advisory Board (NAB) and Dietetic Advisory Board (DAB), which include registered dietitians and experts in nutrition, science, and health from around the world, will participate at upcoming scientific nutrition and wellness conferences worldwide during the third and fourth quarters of 2022.

These conferences bring together government officials, key industry leaders, experts, professionals, and students, all dedicated to advancing nutrition science and healthy and sustainable food production. Each event features professionals and experts in their field, sharing important knowledge that will ultimately benefit consumers.

"Nutrition research is constantly evolving around the world, and our team of nutrition and scientific experts are committed to sharing their research and educating the next generation of industry professionals to ensure a more equitable, healthier and sustainable future," said Kent Bradley, M.D., M.B.A., M.P.H., Chief Health and Nutrition Officer, Herbalife Nutrition.

Presentations will cover a broad range of topics including the prevention of nutrition-related disease, digestive health, sustainable nutrition solutions, optimizing performance through effective sports nutrition, and skin care, among others.

Since the start of the third quarter, Herbalife Nutrition experts have presented at more than 10 conferences and will participate at the following events through the end of the year:

[Specialised Nutrition Europe \(SNE\) Webinar #BeActive! Eat to Win - September 26 \(European Union\)](#)

Herbalife Nutrition and SNE will host a webinar that will focus on the role of food in sports and fitness and the effects specialized sports nutrition has on a healthy lifestyle. Rute Borrego, R.D., Herbalife NAB Member, will share recommendations on sports nutrition along with Herbalife Nutrition-sponsored *short track speed skater*, Arianna Fontana, who will give a firsthand experience on the benefits of integrating sports nutrition with training. Amelie Baracat-Empereur, Director of Government Affairs, Herbalife Europe and Chair of the SNE public affairs working group, will moderate the event.

[Politico Future of Food and Farming Summit - September 29 \(France\)](#)

Herbalife Nutrition will sponsor the sixth edition of this high-level event that will gather top policymakers, industry leaders, scientists, and NGO representatives to debate the trajectory of Europe's food and agriculture sector. Simon Branch, Senior Director Research and Development and Scientific affairs EMEA, will present on *"How to support consumers to make healthy and sustainable diet choices?"*
