Skillsoft's Conversations in Leadership Series Continues its Lineup of Distinguished Experts

Marks first year anniversary of popular program featuring innovative business and leadership authors

NASHUA, N.H.--(BUSINESS WIRE)-- Setting the pace in leadership development, [Skillsoft](#) today marked the first anniversary of its [Conversations in Leadership](#) series, a web-based conversation moderated by Skillsoft's leadership expert Shawn Hunter which features prominent business experts' insights on leadership development. The series, which includes dynamic audience participation through live discussion, boasts an impressive lineup of noted business executives, renowned authors and leadership innovators. Skillsoft's creation of the Conversations in Leadership series further cements Skillsoft's position as a pioneer in the field of technology-delivered learning with a long history of innovation and delivery of solutions for its customers worldwide, ranging from global enterprises, government, and education to mid-sized and small businesses.

Since its launch in 2012, the series has hosted leading industry experts including executive coach Steve Farber, leadership development duo Bob and Gregg Vanourek and best-selling authors Jim Kouzes, Shawn Achor, and Tammy Erickson. Through this diverse lineup of featured experts, Skillsoft provides participants with an inside perspective on popular industry trends and actionable insights to enable leadership development of individuals and their companies.

"The response to the Conversations in Leadership Series has been outstanding and we are excited to celebrate its success with the experts whose experience, knowledge and insights are the heart of the series," said Shawn Hunter, executive producer and vice president, Skillsoft's Leadership Development Channel and 50 Lessons. "We look forward to continuing to provide an elite lineup of industry experts through an interactive series which truly supports Skillsoft's goal of providing top-notch content to foster a leadership development discussion."

The inaugural year of the Conversations in Leadership series featured a variety of leadership experts across all industries. Recent events, now available in an on-demand archive, include:

- [**Best-selling author and executive coach Jennifer Kahnweiler on her book, *Quiet Influence: The Introvert's Guide to Making a Difference***](#)

Introverts may feel powerless in a world where extroverts seem to rule, but there's more than one way to have some sway. As Jennifer Kahnweiler proves in her new book, introverts can be highly effective influencers when, instead of trying to act like extroverts, they use their natural strengths. Learn how to use those strengths to

challenge the status quo, provoke new ways of thinking, effect change and inspire others to move forward.

- **[Leadership development experts Bob and Gregg Vanourek on achieving Triple Crown Leadership](#)**

In today's fiercely competitive world, it takes more than "business as usual" to stay strong and stay ahead of the curve – it takes Triple Crown Leadership. Inspired by the most elusive championship in sports, the Triple Crown of horseracing, this compelling road map is designed for leaders at all levels. Father and son team Bob and Gregg Vanourek discuss lessons learned from their experiences interviewing over sixty organizations in eleven countries, including Zappos, Google, eBay, Infosys, Xerox, Spotify, Mayo Clinic, KIPP, Ashoka and more. Learn how to achieve high performance, integrity and sustainability at your organization.
