Skillsoft Partners with CrossKnowledge to Offer Management and Leadership Development Training

Training to Develop Well-Rounded Leaders at Every Organizational Level

NASHUA, N.H.--(BUSINESS WIRE)-- [Skillsoft](#) today announced a partnership with [CrossKnowledge](#), a leading elearning solutions provider emphasizing management and leadership development, to deliver training resources to learners in the U.S. and Canada. Training content includes elearning modules, reference materials, practical tips and videos providing management and leadership skills development for all levels of the organization. Skillsoft is a pioneer in the field of technology-delivered learning with a long history of innovation and delivering solutions for its customers worldwide, ranging from global enterprises, government, and education to mid-sized and small businesses.

The CrossKnowledge collection is localized and adapted in 15 languages including English, Spanish, Portuguese, Chinese, Japanese and French. Select languages include up to 125 topics. The premium quality content comes from its faculty comprised of world-renowned authors, professors and management professionals from top business schools such as Harvard, Wharton, INSEAD or HEC Paris.

"The CrossKnowledge collection has achieved a high learner satisfaction rate and is already used by over 4 million learners," said Mickaël Ohana, CEO of CrossKnowledge.

"It's important to develop leaders at all levels in an organization to meet the daily challenges facing the organization," said Russ Howard, director of product marketing, Skillsoft. "We are excited to complement our business skills portfolio with training content from CrossKnowledge. This partnership further exemplifies our commitment to delivering the most robust and relevant content to learners across the enterprise."

The CrossKnowledge collection is available on the Skillport learning management system (LMS), as well as through integration with third party systems.
