Charles & Dean Finance Subscribe to Apex Now Products Flex and Dock

The UK-based award-winning specialist finance brokerage has opted for two of NETSOL's API-first products from the Apex Now marketplace

ENCINO, Calif., Aug. 01, 2024 (GLOBE NEWSWIRE) -- NETSOL Technologies, Inc. (Nasdaq: [NTWK](#)), a global leader in delivering state-of-the-art solutions for the asset finance and leasing industry, has announced that Charles & Dean Finance has signed up for two products from Company's new API-first Apex Now marketplace – Flex and Dock.

Flex, the first product offering from Apex Now, is an instant, cloud-based calculation engine which guarantees swift and accurate calculations at all stages of the contract lifecycle through various calculation types.

Dock is a centralized document generation tool with template-based configuration and simple syntax, which allows users to create accurate documents in seconds.

"We are thrilled to partner with Charles & Dean Finance, a specialist finance brokerage with in-depth expertise in both business and vehicle finance," said Najeeb Ghauri, Founder and Chief Executive Officer of NETSOL Technologies Inc. "The agility and simplicity of our API-first products have become a game-changer, empowering businesses to swiftly leverage our offerings and derive immediate value."

Tom Perkins, Director at Charles & Dean Finance, stated, "NETSOL is a well-known brand in the UK's credit, finance and leasing industry known for its cutting-edge technological solutions, and we're excited to be integrating Flex and Dock into our business processes. The versatility and seamless integration, and quick onboarding of these API-first solutions are ideally suited for our fast-paced and diverse client network, and we look forward to leveraging these new capabilities in a rapidly growing market."
