Earnings Call Presentation

Safe Harbor Statement

FORWARD-LOOKING STATEMENTS

Statements in this presentation that relate to goals, strategies, future plans and expectations are based on Korn Ferry's current expectations. You are cautioned not to place undue reliance on such statements. Actual results in future periods may differ materially from those currently expected because of a number of risks and uncertainties. For a detailed description of many of those risks and uncertainties, please refer to Korn Ferry's earnings release and its periodic filings with the Securities and Exchange Commission. These statements are also aspirational and not guarantees or promises that goals or targets will be met. The company undertakes no obligation to update any statements, whether as a result of new information, future events or otherwise. In addition, these statements may be based on standards for measuring progress that are still developing and on assumptions that are subject to change in the future.

NON-GAAP FINANCIAL MEASURES

This presentation includes financial information calculated other than in accordance with U.S. Generally Accepted Accounting Principles ("GAAP"). This non-GAAP disclosure has limitations as an analytical tool, should not be viewed as a substitute for financial information determined in accordance with GAAP, and should not be considered in isolation or as a substitute for analysis of the Company's results as reported under GAAP, nor is it necessarily comparable to non-GAAP performance measures that may be presented by other companies. Please refer to slides 18 to 24 for a reconciliation of each of the non-GAAP financial measures included in this presentation to the closest GAAP measure.

Advancing our Strategy to Become the Preeminent Global Organizational Consultancy, Powering Organizational Performance Through Talent

Diversifying offerings into fully integrated, scalable and sustainable client engagements:

Intentional expansion to a comprehensive organizational consultancy is driving less cyclical and more predictable and recurring fee revenue streams with more scalable and consistent earnings.

Capitalizing on global leadership in solutions with great relevance today:

Monetizing investments in data, content, and IP. Driving greater Digital subscription engagements and integration with Consulting creates unique and differentiated insights and solutions.

Established record of thought leadership and action on burning platform issues including, but not limited to, workforce transformation, cost management or top-line growth initiatives in a challenging economic environment that provide a competitive edge to support companies as they look to solve their most pressing business issues.

Driving an integrated go-to-market strategy through our Marquee and Diamond accounts:

Enduring client relationships of scale that deliver larger, more predictable and recurring Revenue through structured, programmatic account planning and cross – Solution synergy sales

Advancing Korn Ferry as the #1 career destination of choice:

Attracting and retaining top talent by investing in initiatives that build a world-class organization aligned to strategy and staffed by a capable, motivated and agile workforce.

Pursuing transformational opportunities at the intersection of talent and strategy:

Proven track record of investing in growth and leveraging a core competency of identifying, acquiring and integrating M&A targets that have the potential to further our strategic objectives and enhance shareholder value.

A Compelling Investment Opportunity, at a Critical Moment, in a Critical Sector

STRONG, DURABLE FOUNDATION

- Recognized industry leader with ~ 9,200 experts strategically positioned in more than 50 countries
- Value-driven capital allocation priorities and strong M&A track record
- Proven management team driving a proven business model
- Proprietary IP and data driving an expanding suite of digital capabilities and unique and differentiated insights
- Continued investment in commercial colleagues including Global Account Leaders

RELEVANT SOLUTIONS ALIGNED WITH MACRO TRENDS

- Rapid emergence of remote work and other shifts in Human Capital trends are necessitating organizational realignment
- Emergence of new technologies (GenAI) resulting in different work being done and work being accomplished differently
- Investing in Professional Search & Interim Services inline with shift from career employee to career nomad
- Unprecedented changes / disruptors in today's macro economic environment are driving the need for different leaders with different skill sets

POISED FOR SUSTAINABLE GROWTH

- Focus on durable, scalable Fee Revenue through deeper key client penetration and large integrated solutions that emphasize consulting services and digital subscriptions
- Continuing to invest in "Go-to-Market" initiatives through Marquee & Diamond Accounts (large, sustainable, and valuable relationship)
- Breadth and connectivity of solutions provides platform for outsized top-line synergies - a key competitive advantage
- Strong, earnings driven cash generation facilitates investments in growth opportunities in large markets that are currently highly fragmented and underpenetrated
