

Company Overview

Assure Holdings Corp. is a Colorado-based company that works with neurosurgeons and orthopedic spine surgeons to provide a turnkey suite of services that support intraoperative neuromonitoring activities during invasive surgeries. Assure employs its own staff of technologists and uses its own state-of-the-art monitoring equipment, handles 100% of intraoperative neuromonitoring scheduling and setup, and bills for all technical services provided. While Assure focuses primarily on supporting spinal and vascular surgeries, plans are in place to support other classes of medicine that rely on the standard of care that intraoperative neuromonitoring provides.
