Medytox Solutions, Inc. Partners With "Moments of Change" as Event Sponsor

Medytox to Exhibit at Behavioral Health Conference on September 28, 2015

WEST PALM BEACH, FL -- (Marketwired) -- 09/18/15 -- Medytox Solutions, Inc. (OTCQB: MMMS) announces its partnership with "Moments of Change," an *Innovations in Integrated Treatment* conference by Foundations Events, which highlights developments in behavioral health for professionals and their patients. The holding company has signed on as an event partner and will highlight its new and innovative approaches to treatment and lab analysis.

"We listen to the needs of the industry to guide the development of our testing solutions, so participating in 'Moments of Change' is of paramount importance," said Seamus Lagan, CEO of Medytox Solutions, Inc. "By networking with other companies creating solutions for treatment professionals of all kinds -- as well as the professionals themselves -- we are able to anticipate changes in testing and treatment nationwide."

Medytox's participation in the conference comes at an ideal time in the company's growth. Earlier this year, Medytox Solutions expanded operations with EPIC, a clinical laboratory in Riviera Beach, which is one of the largest reference laboratories in South Florida performing toxicology and clinical testing and the only lab in the U.S. to perform urinary neurotransmitter testing. EPIC was recognized by Gov. Rick Scott for its senior-level job creation and continues to grow to meet the demand for advanced testing services.

"Attending and sponsoring events that address the future of behavioral healthcare guides our growth," added William DePond, M.D., CEO of Medytox-owned laboratories and COO of Medytox Diagnostics, Inc. "From serving specialty populations to expanding our business operations, we look to the needs of healthcare professionals, in addition to current issues affecting behavioral healthcare, to refine our services."

The "Moments of Change" conference will be held from September 28 to October 1, 2015 at The Breakers in Palm Beach. The conference addresses topics related to substance use disorders and mental health conditions, preparing healthcare professionals for changes in their industry -- from regulations and compliance, to care planning and referrals. Moments of Change attracts psychologists, therapists, social workers, treatment providers, and interventionists.
