In addition, the call will be broadcast live via webcast, hosted on the "Investors" section of the Company's website at localbounti.com and will be archived online. A telephonic playback

will be available through April 8, 2026. North American listeners may dial (877) 660-6853 and international listeners may dial (201) 612-7415; the passcode is 13757430.

About Local Bounti

Local Bounti is redefining indoor farming with an innovative method – its patented Stack & Flow Technology[®] – that significantly improves crop turns, increases output and improves unit economics. Local Bounti operates advanced indoor growing facilities across the United States, servicing approximately 13,000 retail doors. Local Bounti grows healthy food utilizing a hybrid approach that integrates the best attributes of controlled environment agriculture with natural elements. Local Bounti's sustainable growing methods are better for the planet, using 90% less land and 90% less water than conventional farming methods. With a mission to 'revolutionize agriculture, ensuring accessibility to fresh, sustainable, locally grown produce and nourishing communities everywhere for generations to come,' Local Bounti's food is fresher, more nutritious, and lasts longer than traditional agriculture.
