# XORTX Announces Results of Annual and Special Meeting of Shareholders

CALGARY, Alberta, June 29, 2023 (GLOBE NEWSWIRE) -- XORTX Therapeutics Inc. ("XORTX" or the "Company") (NASDAQ: XRTX | TSXV: XRTX | Frankfurt: ANU), a late-stage clinical pharmaceutical company focused on developing innovative therapies to treat progressive kidney disease, is pleased to announce the results of its annual and special meeting of shareholders (the "Meeting") held Wednesday, June 28, 2023.

A total of 7,482,990 common shares of the Company were represented at the Meeting, representing approximately 41.6% of the total number of common shares of the Company issued and outstanding. Anthony Giovinazzo, Chairman, stated,

"This year's shareholder meeting saw the departure of Jacqueline Le Saux who decided to not stand for re-election. The Board extends its appreciation to Jacqueline for her 2+ years of service to XORTX. Jacqueline's expertise in governance and contribution to both the audit committee and notably, the corporate governance and nominating committee of the Board was significant as the Company transitioned during her tenure as a director from being listed on the CSE to the TSX Venture Exchange and Nasdaq Capital Market. We wish Jacqueline the best in her future endeavours.

This past year saw the positive completion of important pharmacology studies, receipt of orphan drug designation from the US Food and Drug Administration ("FDA") and also potential for FDA accelerated approval with the appropriate clinical data for XORLO™, the Company's proprietary formulation of oxypurinol, for the treatment of autosomal dominant polycystic kidney disease. I look forward to the coming year where we hope to deliver on more of these important milestones."

In other news, the Company announces the appointment of James Fairbairn as Interim Chief Financial Officer. James Fairbairn was the Company's Chief Financial Officer from November 2018 through July 2021. He has more than 20 years of experience with publicly-traded companies.
