Paychex Ranked #209 in the 2013 InformationWeek 500 List of Top Technology Innovators Across America

ROCHESTER, N.Y.--(BUSINESS WIRE)-- Paychex, Inc., a [leading provider](#) of payroll, human resource, insurance, and benefits outsourcing for small- to medium-sized businesses, today announced that it placed in the top 250 of InformationWeek 500, an annual listing of the nation's most innovative users of business technology. The highly anticipated listing was revealed on Monday, September 9 in a special digital issue of *InformationWeek*.

"Paychex is truly honored to be recognized as one of the nation's most innovative IT organizations," said Mike Gioja, senior vice president of IT, product management and development at Paychex. "Receiving this recognition only further reinforces our commitment to understanding and implementing the newest technologies and best practices, so that we may continue providing the best possible products and services to our clients."

This announcement marks the third year in a row that Paychex has earned national industry recognition from *InformationWeek*.

InformationWeek identifies and honors the nation's most innovative users of information technology with its annual InformationWeek 500 listing, and also tracks the technology, strategies, investments, and administrative practices of some of the best-known organizations in the country.

"The theme of this year's InformationWeek 500 is digital business. It's a movement, rooted in data analytics, mobile computing, social networking and other customer-focused technologies that are turning companies and industries on their ear," said InformationWeek Editor In Chief Rob Preston. "Every enterprise is now a digital business — or needs to become one fast. The organizations in our ranking are leading the way."
