Top Paychex Technology Executive a Guest on The Bill Kutik Show

Mike Gioja Offers Expert Perspective on Paychex SaaS-based Payroll and HR Services

ROCHESTER, N.Y.--(BUSINESS WIRE)-- Paychex, Inc., a leading provider of payroll, human resource, insurance, and benefits outsourcing for small- to medium-sized businesses, today announced that Paychex senior vice president of information technology, product management and development Michael E. Gioja is the featured guest this week on The Bill Kutik Radio Show®.

The Bill Kutik Radio Show, produced by Appirio, is a bi-weekly talk show featuring unedited and unrehearsed conversations with key HR thought leaders, including executives from leading HR technology providers.

On the program, Gioja provides his unique perspective on technology innovation taking place in the payroll and HR industry, particularly for small and medium-sized businesses, Paychex's target market.

Gioja, who joined Paychex in November 2008, is a senior executive with more than 30 years experience in product management and strategy, as well as software and information technology. At Paychex, he has led his teams through creation and launch of the Paychex Next Generation (PNG) platform and SaaS applications.
