## Paychex Adds ModelxChange® Portfolios to Retirement Services Platform

ROCHESTER, N.Y.--(BUSINESS WIRE)-- Paychex, Inc., one of the nation's leading providers of 401(k) recordkeeping services for America's businesses, today announced the addition of Mid Atlantic Trust Company's ModelxChange® web-based model portfolios for retirement services clients.

ModelxChange® provides an advisor with the ability to choose from a suite of pre-selected portfolios from leading money management firms and helps eliminate the tedious process of coordinating all the moving parts required for a plan recordkeeper to effectively manage an investment model.

"We're thrilled to be adding ModelxChange® portfolios to our already robust suite of investment management offerings," says Paul Davidson, director of product management at Paychex who oversees the company's retirement services product line. "The addition of ModelxChange® delivers on Paychex's commitment to providing our clients and their advisors with best-in-class account management tools."

The addition of the ModelxChange® portfolio to the Paychex platform will provide Paychex recordkeeping clients and their advisors with a simplified model that is regarded in the industry for its ease of use, while at the same time enabling streamlined and sophisticated investment management.
