Paychex Small Business Snapshot: Majority of Startup Businesses are Comfortable Using Technology

ROCHESTER, N.Y.--(BUSINESS WIRE)-- Paychex, Inc., a leading provider of payroll, human resource, insurance, and benefits outsourcing solutions for small- to medium-sized businesses, today released the results of its latest Paychex Small Business Snapshot, which shows owners of recently formed small businesses are comfortable using technology and are taking advantage of time-saving mobility.

Of the more than 250 business owners surveyed, 82 percent reported they feel comfortable with technology. This fact is reinforced in a second data point that reveals small business owners are embracing mobility, spending 74 percent of the time they are online on a laptop, tablet, or phone.

About the Paychex Small Business Snapshot

The data included in the Paychex Small Business Snapshot was taken from the results of the Paychex Small Business Startup Survey. The survey was conducted online with 250 U.S.-based startups, defined as businesses started in 2010 or later with one to 50 employees. For more survey information, click [here](#).
