Flite Named Official E-Foil Partner of American Century Celebrity Golf Championship Tournament

SOUTH LAKE TAHOE, Calif./Nev. (July 1, 2025)— *Flite*, a brand of Brunswick Corporation and the world's leading electric hydrofoil company, is proud to announce its role as the official eFoil partner of the 2025 American Century Celebrity Golf Championship Tournament July 9-13 in Lake Tahoe.

As part of the five-day event, Flite will feature its state-of-the-art Fliteboard simulator, giving fans the opportunity to experience the sensation of eFoiling – on land. In addition, professional Fliteboard riders will take to the waters of Lake Tahoe throughout the tournament, offering thrilling on-water product demonstrations showcasing the unmatched agility, performance, and quiet power of Flite's electric surfboards.

"The American Century Championship is an iconic summer event that brings together top athletes, entertainers, and fans in one of the world's most beautiful locations," said Nick Stickler, president of Flite. "We're excited to be part of the action—both on land and on water—introducing new audiences to the world's most advanced electric hydrofoil."

Now celebrating its 36th year, the American Century Championship draws widespread media attention and a live NBC Sports audience, making it an ideal platform for Flite to demonstrate the growing popularity and accessibility of eFoiling. Visitors are encouraged to stop by the Flite activation area to try the simulator, meet the team, and learn more about how Flite is reshaping the way people connect with the water.

Celebrities participating in this year's event include NFL players and legends Davante Adams, Marcus Allen, Josh Allen, Jerome Bettis, Tim Brown, Derek Carr, Sam Darnold, Dwight Freeney, Larry Fitzgerald, Ryan Fitzpatrick, A.J.
