# Stealth Technologies Inc. is Pleased to Announce the Appointment of Alexander J. Clair as its New Chief Executive Officer

LARGO, Fla., Sept. 20, 2019 (GLOBE NEWSWIRE) -- **Stealth Technologies Inc. (OTC PINK: STTH)**, a company engaged in the business of identifying and capitalizing on emerging technology in the DRTV space, is pleased to announce that it has appointed Alexander J. Clair to the position of Chief Executive Officer. Mr. Clair most recently served as the Company's Senior Product Development and Customer Service Engineer.

"I'm excited to take on the role and challenge of Chief Executive Officer of Stealth Technologies Inc.," said new CEO Alexander Clair. "I look forward to leveraging my depth of experience on the operations and business side of the Company."

"We are pleased that Mr. McFadden has elected to remain as a director and continue to lead the Company's DRTV operations," stated Mr. Clair. "Over the past 9 months, Mr. McFadden has been instrumental in expanding the Company's product base and shifting our revenue model so that we can achieve profitability on the near horizon."

The Company's current Board of Directors consist of Alexander J. Clair, Brian McFadden and Timothy Cabrera. The Company will look to add two independent directors prior to years-end.

## About Mr. Clair

Prior to accepting the position of Chief Executive Officer, Mr. Clair served as the Company's Senior Product Development and Customer Service Engineer since joining the Company in February 2018. Mr. Clair's previous experience includes serving as the North American Operations Manager for RSM Maintenance. Mr. Clair played a key role in the development and launching of a custom-built work order management system utilized by many Fortune 500 retail companies. Before joining the RSM team, Mr. Clair worked with Rogers Associates Machine Tool Corporation as a Senior project manager and oversaw the design, buildout and delivery of numerous multimillion-dollar projects for the DOJ, DOD, and NASA. Mr. Clair holds a Bachelor of Science degree in Mathematics from Hamilton College in Clinton, NY.

## About Stealth Technologies, Inc.

Stealth Technologies, Inc., incorporated in 2010 and based in Largo, FL, is a publicly traded company that represents and distributes a variety of products solving critical issues in the safety, health, and personal protection industries.
