Weave Now Integrates with InfiniteVT

New integration unlocks powerful Weave features to improve vision therapy patient experiences

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one experience platform for small- and medium-sized healthcare businesses, today announced an integration with [InfiniteVT](#), a leading cloud-based software designed specifically for vision therapy providers. Integrating Weave software with InfiniteVT offers optometry and vision therapy practices a comprehensive solution to address the unique needs of vision therapy patients, combining seamless patient engagement, streamlined workflow efficiency, and advanced practice management to enhance patient care and satisfaction by unlocking the following Weave features:

Appointment Reminders: Send automated appointment reminders to patients to help keep schedules full.

Automated Data Sync: Keep patient contact and appointment information current in Weave with daily updates from the InfiniteVT database.

Reviews Auto-texting: Customize and schedule automated texts to solicit reviews from patients after their appointments to build online presence and reputation.

Save the Date Reminders: Automate reminders sent shortly after an appointment is scheduled so patients can add it to their calendars.
