Nature's Sunshine Announces SEC Order Revoking Common Stock Registration

PROVO, Utah--(BUSINESS WIRE)-- Nature's Sunshine Products, Inc. ("Nature's Sunshine" or the "Company"), a leading manufacturer and marketer of encapsulated herbs and vitamins, today announced that on January 21, 2009, the Securities & Exchange Commission ("SEC") issued an order affirming a prior decision by an administrative law judge pursuant to Section 12(j) of the Securities Exchange Act of 1934 ("Exchange Act") revoking the registration of all classes of the Company's securities registered pursuant to Section 12(g) of the Exchange Act. As a result of this order, broker-dealers are not permitted to effect transactions in the Company's securities until the Company has filed a registration statement on Form 10 pursuant to Section 12(g) of the Exchange Act and such registration statement has become effective. Although Nature's Sunshine intends to file a registration statement on Form 10 as quickly as practicable, the Company cannot currently predict a date for the filing of such registration statement.

The Company does not intend to alter its business operations as a result of the revocation order. The order was issued despite the Company's recent filing of current financial information and its extensive and continuing efforts to resolve its past delinquency in making its SEC filings and comply with the SEC's reporting requirements. On December 31, 2008, the Company filed with the SEC Forms 10-Q for the first, second and third quarters of 2008. As previously reported, on October 7, 2008, Nature's Sunshine filed its Forms 10-K for fiscal years 2006 and 2007. Simultaneously with the filing of the Forms 10-Q, Nature's Sunshine amended its previously filed Form 10-K for fiscal year 2007. The Company has engaged Deloitte & Touche LLP as its independent registered public accounting firm for the audit of its consolidated financial statements as of December 31, 2008.
