# GrowGeneration Acquires The Harvest Company, Expands Footprint in California's Emerald Triangle

*Acquisition Brings Number of GrowGen Locations Nationwide to 55*

DENVER, May 25, 2021 /PRNewswire/ -[GrowGeneration Corp.](#) (NASDAQ: GRWG), ("GrowGen" or the "Company") the nation's largest chain of specialty hydroponic and organic garden centers, today announced its acquisition of The Harvest Company, a northern California-based hydroponic supply center and cultivation design innovator with stores in Redding and Trinity County. The Harvest Company serves growers in Northern California's Emerald Triangle – the largest cannabis-producing region in the country.

"As the country's largest legal cannabis market, California continues to be a critical market for GrowGeneration," said Darren Lampert, GrowGen's CEO. "The Emerald Triangle in particular represents tremendous market potential, with over 500 cultivation licenses in Trinity County alone. Redding also is seen as an important emerging cannabis market, and we are proud to expand our presence in the area through a highly respected and leading hydroponics store such as Harvest Company. "

Founded by Robert Masterson, Harvest Company has provided Northern California growers with specialty hydroponic supplies and professional horticultural consultation services since 2014. The Harvest Company's team of 16 employees will join GrowGen's team of over 600 grow professionals as part of the transaction, while Mr. Masterson will stay on in an advisory role.

Said Masterson, "The Harvest Company was founded by growers for growers, and that ethos is at the center of everything we do. We look forward to continuing to provide best-in-class supplies and services under the GrowGeneration name."
