Phunware CEO Dmitry Kroshka to Highlight Guest Intelligence Platform at Emerging Growth Conference on October 29 at 9:40 AM ET

AUSTIN, Texas, Oct. 28, 2026 (GLOBE NEWSWIRE) -- [Phunware, Inc.](#) ("Phunware" or the "Company") (NASDAQ: PHUN), a provider of AI-enabled guest intelligence software to operators of hotels, resorts and other large, complex properties, today announced that Chief Executive Officer Dmitry Kroshka will present at Emerging Growth Conference 97 on Thursday, October 29, 2026, at 9:40 a.m. Eastern Time. The virtual presentation will include a question-and-answer session, and investors may request one-on-one meetings with management.

Mr. Kroshka will provide an overview of Phunware 2.0 and the Company's Guest Intelligence Platform. The discussion will cover how Phunware is bringing together location intelligence and guest engagement capabilities to help property operators improve the guest experience, better understand guest behavior, and identify opportunities to generate ancillary revenue.

The presentation will also address the Company's progress with AI Concierge, commercially launched in January 2026, the roadmap for the AI Itinerary Builder and Location-Aware Data Layer, and opportunities to extend the platform into adjacent markets, including healthcare and senior living.
