## **About Super League Gaming**

Super League Gaming (Nasdaq: SLGG) is a leading video game entertainment and experiences company that gives tens of millions of players multiple ways to create, connect, compete, and enjoy the video games they love. Fueled by proprietary and patented technology systems, the company's offerings include gameplay properties in which young gamers form vibrant in-game communities, content creation platforms that power live broadcasts and on-demand video series that generate billions of views annually across the world's biggest distribution channels, and competitive gaming tournaments featuring many of the most popular global titles. Through partnerships with top consumer brands, in-game player and brand monetization, and a fully virtual cloud-based video production studio, Super League is building a broadly inclusive business at the intersection of content creation, creator monetization, and both casual and competitive gameplay.
